STATEMENT OF PROBABLE CAUSE

ARREST ON TRAFFIC / NATURAL RESOURCES / MASS TRANSIT CITATIONS / CRIMINAL CHARGES / MUNICIPAL ORDINANCES / PUBLIC LOCAL LAWS

THE DEFENDANT HAS BEEN ARRESTED UPON THE FOLLOWING INFORMATION OR OBSERVATION: (MAKE A PLAIN, CONCISE AND DEFINITIVE STATEMENT OF ESSENTIAL FACTS CONSTITUTING THE OFFENSE CHARGED.)

On Thursday, January 5th, 2023, at approximately 2320 hours Officer Mull and Officer Wheat were patrolling the area of 301 E Washington St (Sheetz). Officer Mull and Officer Wheat were patrolling this area due to recent controlled dangerous substance violations, overdoses, weapons violations and other calls for service in the area. Officer Wheat was using Hagerstown City Surveillance system in the same area. Officer Wheat observed a black Nissan Altima with dark tinted windows pass his location. Officer Wheat recognized this vehicle from the Econo Lodge Motel in the 900 Block of dual highway. Officer Wheat knew the registration to the vehicle was suspended from checking the registration plate (3EV1966) through the National Crime Information Center (NCIC). After the vehicle observed Officer Wheat's patrol car it changed lanes and turned into the Sheetz parking lot. Officer Mull and Officer Wheat observed the vehicle parked in the Far East side of the parking lot next to a brick wall on the City Surveillance Camera. Officer Mull and Officer Wheat drove by the location and parked in the Advanced Auto Parts parking lot to observe the vehicle. Officer Wheat and Officer Mull observed the driver of the vehicle make contact with two male subjects at two different times. Officer Mull and Officer Wheat did not observe the driver ever leave the vehicle while it was parked at the Sheetz parking lot.

ARREST ON TRAFFIC / NATURAL RESOURCES / MASS TRANSIT CITATIONS / CRIMINAL CHARGES / MUNICIPAL ORDINANCES / PUBLIC LOCAL LAWS

After approximately 15 minutes Officer Mull and Officer Wheat observed the vehicle leaving the Sheetz parking lot. The vehicle drove past Officer Mull and Officer Wheat's location and continued east on the dual highway. Officer Wheat and Officer Mull approached the vehicle at the intersection of Dual Highway and South Cleveland Ave. Officer Wheat reconfirmed the registration plate that displayed 3EV1966 was still suspended through NCIC. Officer Wheat and Officer Mull activated their emergency equipment to conduct a traffic stop on the vehicle at the intersection of Dual Highway and South Cleveland. The vehicle merged to the right of the roadway but continued to slowly come to a stop for approximately 100 yards.

Officer Mull made contact with the driver who was identified as Krystofer William Lomax by his Maryland Driver's License. Officer Mull began asked Lomax where he was coming from and where he was going. Officer Mull observed Lomax kept his left arm concealed under his body that was sitting on the seat. Officer Wheat stated that he observed a large handbag on the left side of Lomax's body inside of the car. Officer Wheat called for a K-9 to conduct a free air sniff of the vehicle. Washington County Deputy Angelini arrived on scene approximately 5 minutes later. While Officer Wheat was checking Lomax for a valid Driver's License and any warrants. Deputy Angelini instructed Officer Wheat to escort Lomax out of the vehicle to conduct a free air sniff. There was a rear female passenger who was later identified as Nevaeh Donaldson.

Officer Wheat informed Lomax that a K-9 was on scene to conduct a free air sniff of the vehicle for an odor of narcotics. Officer Wheat opened the door and asked Lomax to step out of the vehicle. Officer Wheat observed Lomax remove the black handbag from the front left side of his body without being asked to do so. Lomax placed the bag on the driver's seat and exited the vehicle. Officer Wheat conducted a pat frisk for weapons on Lomax but did not locate any weapons or contraband on his person. Officer Wheat escorted Lomax to the front of his patrol car. Officer Wheat walked back to the driver's side of the vehicle to speak with Deputy Angelini. Officer Wheat observed in plain view a glass-smoking device with burnt residue on the end and pieces of copper metal mesh material. The glass-smoking device was near the door handle of the driver's side door. Officer Wheat recognized the glass-smoking

device with the burnt residue and copper metal mesh material as a device to inhale crack cocaine through his training knowledge and experience as a Police Officer. Officer Wheat began searching the vehicle due to the glass-smoking device being in plain view.

Officer Wheat grabbed the black handbag and located a black handgun grip sticking out of the top of the bag. Officer Wheat notified all other officers on scene of the recovered handgun. Officer Mull handcuffed Lomax at this time. Sgt Lucas handcuffed Donaldson. Officer Wheat continued searching the black handbag and located three 3,4-Methylenedioxymethamphetamine (MDMA) pills inside of a small cellophane bag. MDMA is a schedule I controlled dangerous substance. Officer Wheat located a clear plastic container that contained several small white rock like substances consistent with crack cocaine. Crack cocaine is a schedule II controlled dangerous substance. Officer Wheat located a small pea size plastic container that contained a white rock like substance consistent with crack cocaine. Officer Mull knows that those containers are referred to as "trash cans". The estimated weight of the crack cocaine was 3-4 grams. Officer Wheat located a digital scale inside the handbag. Officer Wheat attempted to eject the handgun magazine and discovered the handgun was a black Glock 19 replica BB Gun. The BB Gun appeared and weighed approximately the same as a real Glock 19 handgun.

Officer Wheat located a black grocery style bag on the rear driver side floor board that contained approximately twenty new clear gel capsules used to commonly contain and transport fentanyl. Along with the gel capsules were approximately fifty new plastic containers with the flip tops referred to as "trash cans". Officer Wheat located one knotted cellophane bag that contained an off-white powdery substance and the bag was approximately three and half inches wide. Officer Wheat located another small-knotted cellophane bag with the same off-white powdery substance. Officer Wheat weighed both of these cellophane bags on a non-certified digital scale and the weight was 18 grams. Officer Wheat and Officer Mull believed the powdery substance inside of the cellophane bags was fentanyl based off their training knowledge and experience as a Police Officer, and it being beside the new clear gel capsules. Fentanyl is a schedule II controlled dangerous substance. Officer Wheat located another cellophane bag that contained hard rock like substances consistent with crack cocaine. The cellophane bag weighed approximately

3.5 grams. Officer Wheat and Officer Mull recognized this substance as crack cocaine through their training, knowledge, and experience as a Police Officer. Crack Cocaine is a schedule II controlled dangerous substance.

Officer Mull placed Lomax under arrest and placed him in the back of the patrol car. Officer Wheat read Lomax his Miranda rights and Lomax invoked his rights to speak when questioned on scene. Sgt. Lucas called for a tow to tow the vehicle from the roadway. Blue Gray towing arrived on scene and removed the vehicle. Donaldson was later released from the Washington County Detention Center after confirming her finger prints through the FBI.

Officer Mull will submit all of the suspected controlled dangerous substances to the Western Maryland Regional Crime Lab for exact weights and testing. See Officer Wheat's supplement report for more information. Officer Wheat completed a MSP-97 form and placed it into records at HPD.

Officer Mull is charging Lomax with the following:
